Good Citizenship Award
Application

The New Hope City Council established the Good Citizenship Award program in 2011 to recognize persons who exemplify acts of good citizenship.

Frequently persons volunteer in various ways to make New Hope a better place to live, work, and play and receive no acknowledgement for their work. The city recognizes that the strength of a community is dependent upon a strong network of citizens who devote time and effort to improve the quality of life by helping others.

Nominations for the *Good Citizenship Award* are accepted throughout the year and reviewed by the City Council. Elected officials may neither nominate nor receive the award. The City Council will publicly recognize award recipients and present them with a Certificate of Good Citizenship at an official council meeting.
