

RECYCLING AND MATERIALS MANAGEMENT GUIDE 2008-2009

Rethink Recycling:
It matters more than you think.

For more information, call Program Administration (763) 493-8006

BROOKLYN PARK • BROOKLYN CENTER • CRYSTAL • NEW HOPE

INTRODUCTION

Brooklyn Park and the “Hennepin Recycling Group” cities of Brooklyn Center, Crystal, and New Hope have a joint powers agreement for the administration of recycling and waste management programs. The Administration office is at Brooklyn Park Operations and Maintenance, 8300 Noble Ave N, (763) 493-8006.

The 2008-2009 Recycling and Material Management Guide was developed to help residents recycle and properly dispose of most types of waste. It includes curbside recycling program details and collection schedules. It also includes an easy to use A-Z Directory that lists many options for reuse, recycling, and disposal. There are resources for lawn care, yard waste, hazardous waste management, garbage collection, a map of disposal facilities in the area, and much, much more.

Please refer to this guide throughout the year or whenever you have questions about recycling and waste disposal. THANKS FOR RECYCLING!

To Start Recycling — Call (763) 493-8007 for recycling cart delivery.

TABLE OF CONTENTS

A-Z Material Management Directory	1-19

Donations – Smart Guide to Reuse	29
NW Area Facilities Map	back cover

AEROSOL CANS

Empty aerosol cans should be put in the trash. If any liquid remains it should be managed as a Household Hazardous Waste.

Hennepin County Drop-off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

AIR CONDITIONERS See “Appliances”

ALUMINUM CANS

Put in curbside recycling cart.

Redemption

BPA Recycling.....(763) 424-2733
9025 Zachary Ln, Maple Grove

ALUMINUM FOIL • TRAYS

Not accepted for curbside recycling. Put in trash.

AMMUNITION

Do not throw ammunition or explosives into garbage. Call the Police for management instructions.

Brooklyn Park Police Department (Non-emergency).....(763) 493-8219

ANTIFREEZE

Antifreeze can contaminate ponds, lakes, streams and soils. **Do not drain antifreeze onto ground, driveway, street or flush down storm sewer.**

Hennepin County Drop-off Facility(763) 348-3777
8100 Jefferson Hwy, Brooklyn Park

APPLIANCES

State law bans the disposal of major appliances with garbage and requires they be processed by a company licensed to remove any hazardous materials. When buying new, inquire about the dealer’s recycling program.

Collection (Fee Charged)

JR’s Appliance(651) 454-9215
Randy’s Sanitation.....(763) 479-3335
Waste Management.....(952) 890-1100

Drop-off Sites (Fee Charged)

Hennepin County Drop-Off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

- Cars for Courage.....(763) 520-0540

AUTOMOBILES, CON'T

- National Kidney Foundation1 (800) 488-2277
 Volunteers of America – www.carshelpingpeople.org1 (800) 899-0089

Driveable/Repairable:

- Newgate Resource Center & Vocational School(612) 378-0177
 newgateschool.org

BATTERIES

Alkaline batteries purchased after 1993 may be put in the garbage.

All Types

- Hennepin County Drop-off Facility(612) 348-3777
 8100 Jefferson Hwy, Brooklyn Park
 Any City Hall or Hennepin County Libraries

Other

- Batteries Plus(763) 424-5506
 7808 Lakeland Ave N, Brooklyn Park
 Best Buy Stores
 Circuit City Stores – cell phones and rechargeable batteries
 RBRC – Rechargeables – www.rbrc.org.....1 (800) 822-8837
 Special Materials Drop-off (2x/yr)(763) 493-8006
 8300 Noble Ave, Brooklyn Park

Target Stores

Lead Acid (Auto)

- Hennepin County Drop-off Facility(612) 348-3777
 8100 Jefferson Hwy, Brooklyn Park
 Any Automotive Retail/Wholesale Battery Dept.

BICYCLES

If in good condition donate to charity (pg. 29). If no longer repairable, remove rubber and plastic and manage as scrap metal:

- Hennepin County Drop-off Facility(612) 348-3777
 8100 Jefferson Hwy, Brooklyn Park
 Special Materials Drop-off (2x/yr)(763) 493-8006
 8300 Noble Ave N, Brooklyn Park

BOOKS

Donate old books to charity or trade at a used book store or give to a friend or neighbor. Can also put in curbside recycling. Must remove hard cover to recycle.

- A Novel Place(763) 424-4122
 202 County Rd 81, Osseo / ANovelPlace.com

A-Z MANAGEMENT DIRECTORY

BOXES

Cardboard: Flatten and cut to fit in recycling cart or cut into size no larger than 3' x 3' square, bundle or tape securely, no thicker than 6". Stack bundles alongside recycling cart.

Paperboard Food: 4C's (Cereal, Cake, Cracker & Chip cartons), non-refrigerated food boxes, and beverage cartons/cases are acceptable curbside.

Non-Recyclable Paper Food Box Packaging: Pizza delivery boxes, frozen food and box material that is foil, wax, or plastic coated is **NOT** recyclable. This includes paper milk cartons, juice boxes, etc.

DROP-OFF:

- Hennepin County Drop-off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park
- Rock-Tenn Recycling Facility(763) 391-8080
8700 Valley Forge Ln N, Maple Grove

BRUSH See "Yard Waste"

BUILDING MATERIALS

When remodeling and constructing consider using or donating reusable cabinets, windows, doors, carpet, flooring, light fixtures, lumber and millwork, plumbing, tools and equipment.

Reuse:

- PPL — Cabinets Only – www.pplshop.org(612) 789-3322

Disposal: See "Construction and Demolition Debris"

BUSINESS RECYCLING

It is recommended that a business contract with a licensed hauler that provides both collection of waste and recyclables for a coordinated program.

Small Business Free Drop-off

- Hennepin County Drop-off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

Accepted: Newspaper, mixed office paper, magazines, phonebooks, cardboard, plastic bottles, glass bottles and jars, metal cans, and scrap metal. Material must be sorted.

Business Assistance:

Minnesota Waste Wise, St. Paul.....(651) 292-4681
mnwastewise.org

A program to increase waste prevention and recycling among business, non profit and government organizations throughout the State, sponsored by the MN. Chamber of Commerce and MPCA.

Hennepin County Business Waste Reduction Program, Mpls...(612) 348-3563
Technical assistance on waste reduction, recycling and waste management. On-site waste assessments are conducted.

CABINETS See “Building Materials”

CAMERAS

Avoid using disposable cameras. When possible, repair cameras.

Repair:

National Camera Exchange(763) 546-6831
9300 Olson Hwy, Golden Valley

CANS

Rinse and place steel and aluminum food and beverage cans in recycling cart. **Do not** place aerosol spray cans or empty paint or chemical cans in the recycling cart.

CARBON MONOXIDE DETECTORS

Remove batteries and put in the garbage.

CARDBOARD • CORRUGATED SHIPPING BOXES

Flatten and cut down to fit in recycling cart.
See “boxes” for drop-off locations.

CARPET

When purchasing carpet ask retailer about their ability to recycle your old carpet. Check with your garbage hauler for their disposal options and fees.

Carpet Recovery Innovations (will pick up/take up too)(763) 441-8300

Waste Management Transfer.....(763) 425-3736
10633 89th Ave N, Maple Grove

1691 91st Ave NE, Blaine

GASOLINE • KEROSENE • FLAMMABLES • FUEL

Do not pour on ground or into a drain or storm sewer. Mix old gasoline with new gasoline and use up in equipment whenever possible.

Hennepin County Drop-off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

A-Z MANAGEMENT DIRECTORY

GLASS

Glass bottles and jars are recyclable curbside. All other types of glass are non-recyclable*. If no longer usable it must be managed as a waste and properly disposed of.

Recycle: Clean green, clear and brown glass bottles and jars in your curbside cart.

Reuse: Glass jars make excellent storage containers for bulk purchased food, and odds and ends.

***Non-Recyclable Glass Materials Include:** Mirrors, windows, windshields, china, pottery, drinking glassware, incandescent light bulbs, and crystal. These types of glass must be managed by disposing of them carefully in your garbage. It is best to contact your garbage hauler for specific instructions.

GRASS See “Tree and Lawn Care” on pg. 26

HANGERS

Wire: Most dry cleaners and sewing shops accept metal hangers for reuse.

Plastic: When no longer usable, put in trash.

DO NOT put plastic or metal hangers in recycling cart.

HAZARDOUS WASTE

By Law, all Hazardous Waste generated in Hennepin County must be managed under the direction of Hennepin County Environmental Services. (pg. 25)

Household Hazardous Waste: Any item found in a home, basement, garage, or shed and is labeled “Caution”, “Warning”, “Dangerous”, “Flammable”, “Caustic”, “Volatile”, “Poison”, “Explosive”. These items must never be mixed together and should be kept tightly sealed and labeled as to the contents.

Hennepin County Drop-off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

Business/Commercial: Hazardous Waste must be managed according to all accepted practices under rules of the Minnesota Pollution Control Agency and Hennepin County. A business must be licensed by the County if they generate any materials that are considered to be hazardous.

Hennepin County Environmental Services(612) 348-8100

Minnesota Technical Assistance Program.....(612) 624-1300
Xcel Energy - VSG Program, Chestnut Facility.....1 (800) 481-4700

HEARING AIDS

Check with a Senior Center, nursing home, charity or hearing aid provider before disposing of a usable hearing aid system. Donate by calling 1-800-648-4327.

HELIUM TANKS

- All Fire Test, Mpls.....(612) 332-3473
Toll Gas/Welding Supply, Plymouth.....(763) 551-5332

HOUSEHOLD CLEANERS

Carefully read all labels to determine toxicity and proper disposal. Many commercially promoted toxic cleaning products can be replaced with vinegar, baking soda, washing soda, lemon juice, etc. There are many nontoxic, environmentally safe soaps and cleaning products available at most retail locations, private, dealers, distributors, and catalogs. Make that choice whenever possible!

- Hennepin County Drop-off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

INSULATION

Cellulose and fiberglass insulation may be placed in your household trash for disposal. Insulation that contains asbestos must be managed as a hazardous material. (pg. 25)

JUNK MAIL

The curbside recycling program accepts junk mail. Papers that contain personal information should be shredded. Here are some tips to reduce junk mail:

- Refuse unwanted, unopened first class mail. Mark it "Refused-return to sender" and mail back.
- Cancel subscriptions to magazines and mail order houses. If applying for credit, request that your name not be shared, sold or traded with other businesses.
- Contact a national mailing list dealer and request that your name be removed:

MEDICAL WASTE

For infectious or medical waste contact the Minnesota Pollution Control Agency at (651) 296-8621. **“Sharps”** include needles or other similar disposable instruments used at home for medical treatment. Contact your physician or pharmacists for disposal alternatives. To safely accumulate sharps, it is recommended that you put used sharps in a plastic bottle with a tightly screwed on cap. **The bottle then can safely be placed into your household garbage.**

- Stericycle(651) 641-1480

METALS See “Scrap Metal”

MICROWAVES See “Appliances”

MILK CONTAINERS

Plastic milk bottles are recyclable curbside. Paper cartons and juice boxes are not recyclable, and should be disposed of in your garbage.

MINNESOTA POLLUTION CONTROL AGENCY

A-Z MANAGEMENT DIRECTORY

OIL AND OIL FILTERS

Retailers that sell oil or filters must post a sign listing the nearest drop-off facilities for used oil. The following facilities will accept limited quantities (usually up to 5 gal) of used oil. Some sites charge a fee.

- Hennepin County Drop-Off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park
- Texaco.....(763) 560-5410
6840 Humboldt Ave N, Brooklyn Center

OVEN CLEANER

Many commercial oven cleaners are toxic and an irritant to skin, eyes and air. An alternative is a mixture of baking soda, salt and water made into a paste.

- Hennepin County Drop-Off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

PACKAGING

Paper (see “Paper”) or Plastic (see “Plastic”). Only certain kinds of packaging can be recycled. For details look up specific types of packaging (i.e. paper, plastic, corrugate cardboard, foam). Plastic peanuts or styrofoam are not recyclable curbside.

- The UPS Store (Clean packaging peanuts)
7964 Brooklyn Blvd, Brooklyn Park(763) 425-6183
6066 Shingle Creek Pkwy, Brooklyn Center.....(763) 560-1282
13570 Grove Dr N, Maple Grove(763) 494-9440

PAINT

Purchase only as much paint as you will use, determined by measuring the area you want to cover. Paint containing lead or mercury, or oil based paint that contains volatile organic compounds “VOC’s” is hazardous waste. Latex-water based paints and coatings are hazardous only when in liquid state. If you allow any unused latex paint to air dry, remove the lid and it can be put in the garbage. Any liquid paint should be taken to:

- Hennepin County Drop-Off Facility(612) 348-3777
8100 Jefferson Hwy, Brooklyn Park

Free Product Center: Paint products are available at no charge at the Brooklyn Park and Bloomington Drop-Off Facilities.....(612) 348-3777

Purchase Recycled Paint

- Amazon Environmental Inc.....(651) 636-5486
1732 Terrace Dr, Roseville

PALLETS

- Pallet Service Corp (Recycle).....(763) 391-8020
 11201 98th Ave, Maple Grove
- Waste Mgmt. Transfer(763) 425-3736

- Hennepin County Drop-Off Facility(612) 348-3777
 8100 Jefferson Hwy, Brooklyn Park

PAPER

Newspaper, paper grocery bags, catalogs, junk mail, office paper, telephone books, the 4 C's (Cereal, Cracker, Cake, Chip carton) and paper beverage can carrier boxboard are all recyclable in your curbside program.

Do not recycle corrugate pizza delivery boxes, gift wrapping, personal use paper products, paper plates or cups, freezer packaging, wax, plastic or foil coated paper.

PAPER (SHREDDED)

Place shredded paper in brown paper bags, staple shut and put in your curbside recycling or see “paper shredding” in the phone book for businesses that shred paper.

PESTICIDES See “Hazardous Waste” (pg. 25)

PLASTIC

Bottles with a narrow neck are the only type of plastic that is being collected curbside. **Plastic bags/film are not accepted in any curbside program. Do not use plastic bags to sort recyclables or set out for collection curbside.**

Bottles with Narrow Necks: Curbside programs accept plastic bottles with a narrow neck (milk, beverage, detergent, shampoo, etc.) Please—NO bottles that have held toxic chemicals.

Tubs, pails, cartons, buckets: Do not recycle wide top (margarine, yogurt, ice cream, peanut butter, etc). Reuse for food storage containers, crafts, etc. After reuse, dispose of in regular garbage.

Plastic Bags: Recycle at Byerly's, Cub Foods, Kowalski's Markets, Lunds or Wal-Mart. Do not use plastic bags to sort recyclables for set out and collection.

- Hennepin County Drop-Off Facility(612) 348-3777
 8100 Jefferson Hwy, Brooklyn Park

Plastic Pots: Black pots can be recycled at some nursery and landscape facilities, call (651) 633-4987 for more information.

Other Plastic: Polystyrene deli and food service containers, packing peanuts, and formed/molded foam cannot be recycled curbside.

GARBAGE AND RECYCLING OVERVIEW

GARBAGE SERVICE

Local ordinance requires every household and business to have at a minimum, weekly collection of garbage. Each City licenses residential and commercial garbage service providers. The cities are divided into residential collection day zones. (See maps pg. 22). Single family/separate entry residential households may select a licensed company of their choice, which best fits their needs. A current list of licensed haulers, including a basic rate chart for residential service is available by contacting Administration at (763) 493-8006. Townhomes are considered single-family housing and the associations select their garbage service provider. According to City Ordinance, garbage containers should be set at the curb on the night before or on the day of collection, and returned to a storage place that is inside, out of common site. The hauler provides garbage carts and dumpsters.

RECYCLING OVERVIEW

Local ordinance requires every household and business to recycle paper, corrugated cardboard, metal food and beverage cans, plastic bottles with narrow necks, and glass containers. Residential recycling collection is a City contracted service provided by one hauling company. Brooklyn Park and HRG charge for recycling service programs as a utility on every residential sewer/water utility bill. This fee pays for curbside recycling collection, the yard waste drop-off site, special events, public education, and administration. The fee is set by council action, and can be adjusted according to contract costs. Hennepin County contributes approximately \$7.60 per household per year toward the program. The cities are divided into residential collection day zones. (See maps pg. 22).

The **Brooklyn Park program** includes all single family/separate entry households and townhomes and recycling is collected every other week on the same day as the garbage. (See pg. 22). Apartment complexes have recycling collection weekly.

The **Hennepin Recycling Group (HRG) program** includes single family/separate entry households, townhomes, and small apartment buildings with less than eight units. Recycling is collected every other week on the same day as the garbage. (See pg. 22). The HRG cities do not provide contracted recycling services for large apartment buildings or businesses, but local ordinance requires all apartment owners to provide residents convenient recycling service if they do not qualify for the HRG program.

RECYCLING COLLECTION DETAILS

RECYCLING – SINGLE SORT

Recycling is easy! Every other week put all acceptable recyclable items together in the recycling cart and roll it to the end of your driveway by 6:30 a.m. on your collection day (See map on page 22). Set it at the curb facing the street, handle toward the house. Make sure it is at least 3 feet from any object so the automated collection truck can pick it up.

New Residents must call (763) 493-8007 to get a recycling cart.

YES – RECYCLE CURBSIDE

- Glass bottles & jars
- Metal food and beverage cans
- Plastic bottles with narrow neck
- Paper from news, magazines, junk mail, office & school; dry non-refrigerated food boxes, boxboard, soda cases, paper bags; small flat pieces of cardboard. Cardboard may also be flattened and taped or tied into 3' x 3' bundles and placed alongside of cart.

NO – DO NOT PUT IN CURBSIDE RECYCLING CART

- Garbage, food waste, diapers, paper plates
- Plastic bags, plastic wrap, packaging, utensils
- Freezer food packaging, pizza boxes
- Formed or pellet styrofoam packaging
- Window glass, ceramics, dishware, mirrors, light bulbs
- Leaves, grass, brush
- Scrap metal, wood, drywall

RECYCLING CARTS

Recycling carts are available in 35, 64, or 96-gallon varieties. If you need a cart, have a broken cart, or would like to request a different size or additional cart, please call (763) 493-8007. There is no additional charge for a cart exchange.

HOLIDAY COLLECTION

Recycling collection follows a five day collection zone system. On major holidays such as New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving, and Christmas recycling is not collected. If your recycling day falls on or after one of these holidays it will be pushed back by one day, unless the holiday falls on a weekend day, then recycling collection is on your regular day. For example if your recycling day is a Friday and Christmas is on Thursday, your recycling will be collected on Saturday.

MISSED COLLECTION

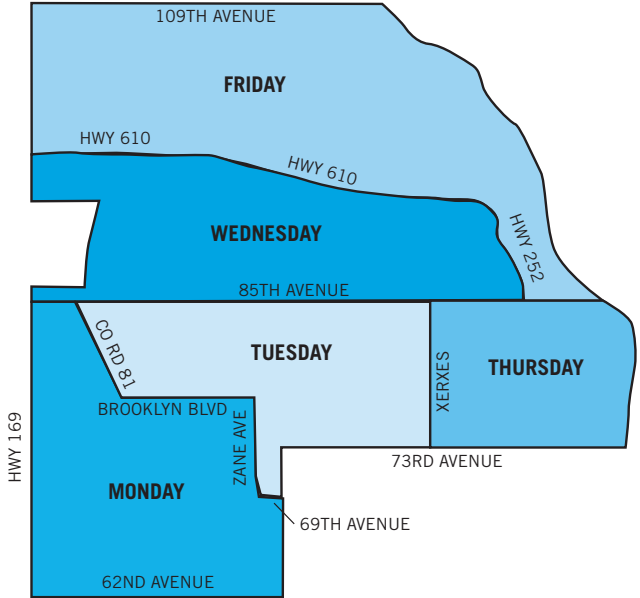

If your recycling was out at the curbside by 6:30 a.m. on your collection day and was not picked-up by 6:30 p.m., please call Administration at (763) 493-8007 by the next day to report it missed.

MOVING IN/OUT

If just moving in, there should be a recycling cart at your home for you to start using. If no cart is present, call (763) 493-8007 to get a cart. If moving out, please leave your empty recycling cart in the garage for the next resident.

APARTMENT RECYCLING PROGRAM

For more information call (763) 493-8006

BROOKLYN PARK:

Paper Fiber (Mixed Paper)

Place all acceptable paper materials, flattened paper food boxes and corrugated cardboard in the “Mixed Paper” recycling cart in the parking lot of your building.

Acceptable Paper Items Include:

Newspaper and Advertisement Paper
Magazines
Catalogs
Junk Mail
Books - Hard and Soft Cover
Office and School Paper - All Colors
Spiral Notebooks

File Folders and Report Covers
Paper Bags
Phonebooks
Cereal, Cracker, Chip and Cake Mix
Boxes
Paper Beverage Can Carrier

Containers

Rinse and place all acceptable cans and bottles together in the “Commingled Containers” recycling cart in the parking lot of your building.

Acceptable Containers Include:

Metal Food and Beverage Cans
Glass Bottles and Jars
Plastic bottles with a narrow top/neck like soda, water, milk, detergent, shampoo, lotions and spray bottles, etc. (Throw away all the lids, caps, covers, and spray pumps.)

HENNEPIN RECYCLING GROUP — BROOKLYN CENTER - CRYSTAL - NEW HOPE:

Apartment buildings with less than eight living units may be included in the single sort curbside “cart” recycling program. See page 22. Larger building manager/owners are required by city ordinance to arrange for convenient recycling service for all tenants by contract with a licensed commercial collection contractor. The program rules may vary depending on the contractor service selected. Contact your building manager for details about the program at your location.

If it's not listed as “Acceptable” it is not recyclable and will be Refused!

HENNEPIN COUNTY DROP-OFF FACILITIES

PROBLEM & HAZARDOUS MATERIALS

By State Law, each County has been charged with the management of Household hazardous waste and problem materials. These are common household items that may be toxic and could pollute the air, land, or water if not disposed of properly. **NEVER mix chemicals. Keep material in original labeled container.**

Household Hazardous Wastes

- Paint Products:** latex and oil based paints, thinners, strippers, solvents, varnishes, lacquers, etc.
- Auto Products:** car batteries, used oil, oil filters, used antifreeze, car wax, brake and transmission fluids.
- Cleaning Products:** oven cleaners, drain cleaners, bleach, spot removers, detergents, window and floor cleaners, polishes, metal cleaners.
- Flammables:** gasoline, diesel, kerosene.
- Garden Products:** pesticides, weed killers, fertilizers, ant and rodent poisons, flea powders.
- Miscellaneous:** photographic chemicals, lighter fluid, moth balls, swimming pool chemicals, glues, epoxy, etc.

Problem Materials

- Mercury Items:** fluorescent and HID lamps, rechargeable and cordless appliances, household batteries.
- Electronics:** camcorders, personal computers/ monitors, radios, stereos, CD/DVD players, televisions, VCR's, telephones.
- Tires:** (fee charged).
- Appliances:** air conditioner, dehumidifier, dishwasher, dryer, washer, freezer, furnace, garbage disposal, microwave, oven/stove, trash compactor, water heater. (fee charged).
- Gas Air Conditioners and Gas Refrigerators:** (fee charged) Call for an appt.

HAZARDOUS WASTE COLLECTION FOR SMALL BUSINESSES AND ORGANIZATIONS

Special Waste Disposal Inc., Minneapolis(612) 285-9865
X-cel Energy VSQG Program.....(612) 630-4516
1518 Chestnut Ave N, Minneapolis

Below is a sample of some acceptable items:

- Latex paint
- Solvent based paint
- Mineral spirits
- Turpentine
- Paint thinner
- Batteries
- Aerosol paints
- Pesticides
- Acids/bases
- Fluorescent lamps
- HID lamps
- And much more...

BUSINESS, INDUSTRIAL & COMMERCIAL HAZARDOUS WASTE MANAGEMENT

Any person, business, agency or facility that generates waste must evaluate the types of waste they generate and determine if it is hazardous. A generator is any person or company, by site, whose act or process produces hazardous waste. All Minnesota businesses that generate hazardous waste must have a Hazardous Waste Generator License. A business located in Hennepin County should contact Hennepin County Environmental Services at (612) 348-8100 for information, procedures and appropriate forms.

REDUCE AND MANAGE BUSINESS WASTES

MnTAP (Minnesota Technical Assistance Program)

A non-regulatory program at the University of Minnesota, School of Public Health which works with businesses to prevent waste generation and manage waste properly. Call (612) 624-1300 or visit www.mntap.umn.edu

MnTAP also has a materials exchange program where you could obtain free or low cost chemicals, electronics, furniture, paper, plastic, and transportation materials from other businesses in the State or you can list materials of your own. For more information call (612) 624-1300 or 1 (800) 247-0015 or for a listing of materials, visit www.mnexchange.org.

Hennepin County's Business Waste Reduction Program

This program offers free technical assistance to businesses. Their goal is to help businesses reduce waste and save money in the process. For more information call (612) 348-3563.

FreeMarket

An internet based exchange program connecting people with free reusable items with people who want them. See twincitiesfreemarket.org or call (651) 222-7678.

TREE AND LAWN CARE

Minnesota law prohibits disposal of lawn and tree waste with garbage.

YARD WASTE DROP-OFF SITE

(FREE TO BROOKLYN PARK AND HRG RESIDENTS)

www.mgyardwaste.com

The City provides residents a convenient drop-off site for **grass, leaves, small brush and tree limbs** 10 inches or less in diameter, and small quantities of sod. Free compost is also available as supplies last. The cost for this site is paid through the “Recycling Service” RS utility fee.

Season: Site is open April 1 to Nov. 30, weather permitting

Hours: 8 a.m. - 7 p.m. Monday-Saturday and 12 - 7 p.m. on Sunday

Site Rules: BULK or debagged leaves, grass and branches to 10 inches in diameter

Address: 14796 101st Ave N, Maple Grove

Directions: See map on page 22 or call the info line at (763) 420-4886

COLLECTION

Every licensed garbage company must offer yard waste collection and may charge additional fees for the service. Call your garbage hauler for details.

TREE DEBRIS

City Storm Damage Policy

Property owners are responsible for routine maintenance and storm damage to trees on their property. The city is responsible for tree maintenance for trees on public property. In the event a storm emergency is declared by the City Manager, city crews or contractors will be assigned to collect tree debris brought to the curb according to declared guidelines.

Drop-off Site – Private: (Logs, Stumps, Christmas Trees)

Elk River Landfill, 22460 Hwy. 169 NW, Elk River, MN.....(763) 441-2464

RRT, 630 Malcolm Ave SE, Mpls.....(612) 331-4610

Collection: Consult the Yellow Pages to find a tree removal service contractor.

BACKYARD COMPOSTING

Backyard composting is permitted on single family home lots in accordance with city zoning and planning ordinances and must be done in a manner so as not to create a nuisance. For details on **How to Compost** call:

Hennepin County(612) 348-3777

Recycling Administration.....(763) 493-8006

U of M Extension Service.....(612) 374-8400

EARTH FRIENDLY LAWN CARE TIPS

Mow Frequently and leave grass clippings on the lawn. Cut no more than one inch off at

each mowing and leave grass 2¹/₂ to 3¹/₂ inches long. This adds food and moisture to the soil and discourages weeds. **Water Early in the Morning** to avoid evaporation. Watering in evening or night causes lawns to stay wet and encourages disease development. A lawn needs 1 to 2 inches of water per week depending on the season. Most sprinklers produce between 1/4" to 3/8" water per hour, or 2-4 hours per week watering. **Test Soil** to be certain of the nutrient treatment needed. Too much fertilizer wastes money and pollutes storm sewers, lakes and ponds. Contact the U of M at (612) 624-4771 to receive a soil test kit.

WOOD MULCH

Shredded tree mulch is available for free as supply lasts at:

Central Park Parking Lot (83rd Ave N and Noble Ave N).....(763) 493-8007

WASTE REDUCTION GUIDE

Choices you make, as the consumer can have a direct affect on how much waste you generate.

REDUCE

- Buy concentrates and bulk when practical
- Buy durable, repairable, long lasting items
- Buy only what you can use or need
- Buy products without excessive packaging
- Turn down a bag on small purchases
- Buy non-hazardous alternatives to toxics
- Buy non-aerosol
- Avoid single use, throw-away food service items

REUSE

- Reuse paper bags or use durable, reusable bags
- Reuse jars, plastic tubs, boxes, wrappings
- Recharge batteries
- Repair appliances and electronics
- Refill containers and pump-spray bottles
- Use returnable milk and beverage bottles
- Donate reusables to nonprofit, charitable organizations

RECYCLE

- Separate recyclables from garbage for collection at home, work and school
- Return auto batteries and motor oil to be reprocessed
- Sell scrap metal to a local vendor
- Compost fruit and vegetable scraps.

SUPPORT RECYCLING

- Buy products in containers or packaging that can be recycled
- Buy products that are made from recycled materials
- Buy recycled paper products, office paper, wrapping paper and stationery
- Educate store managers and others about how important you think recycling and responsible materials management is to the environment

FREEMARKET

An internet based exchange program connecting people with free reusable items. See twincitiesfreemarket.org or call (651) 222-7678.

FREE PRODUCT CENTER

(Located inside Brooklyn Park Drop-Off Facility)

Residents 18 years and older may pick-up items designated by the County for reuse. These free items include household products such as:

- oil-based paints and stains
- motor oil
- latex paints and stains
- adhesives and glues
- cleaners
- automobile products

The County does not guarantee these products. Items selected by residents are used at their own risk. For the safety of those inside the Drop-Off Facility, park your car in the parking lot and walk in to use the Free Product Centers. Open during regular Drop-Off Facility hours. For more information call (612) 348-3777.
