Sec. 8-16. - Rental of trailers and trucks.

- (a) *License required.* No person shall engage in the business of renting utility trailers or the renting of trucks excluding truck tractor and semitrailers, without being licensed as provided in this section.
- (b) *License type, procedure and control.* The provisions of section 8-2 apply to all licenses required by this section.
- (c) *License fee.* The annual license fees for rental licenses are as prescribed in chapter 14. A separate license shall be obtained for each place of business. The licensee shall display the license in a prominent place on the premises licensed. A license, unless revoked, is for the calendar year, or part thereof, for which it has been issued.
- (d) *Granting or denial of licenses.* License applications shall be reviewed by the building inspector with the city manager; thereafter licenses shall be granted or denied by the city council, subject to the provisions of this section.
- (e) *Restrictions and regulations.*
- (1) *Business location.* Licenses may be granted for locations in the community business and industrial districts of the city which meet the requirements of this section and which comply with the standards set forth in each district.
 - (2) *Number and size of trucks and trailers.* The license for the rental of trucks and/or trailers shall specify the maximum number and size of trucks and/or trailers, which may be located on the licensed premises at any one time. Any trucks beyond the amount authorized shall be removed within 24 hours of being received, acquired or parked on the licensed premises. It is a violation of this section to locate more or larger vehicles on the licensed premises than the number or maximum size specified on the license, but temporarily locating a rental truck for a period not to exceed 24 hours on the licensed premises shall not be deemed a violation hereof.
 - (3) *Noncompliance and license denial.* It shall be grounds for denial of a license application that the applicant or other persons occupying the premises for which the license is sought are not complying with, or have a history of noncompliance with the regulations of the city relating to health, safety, building or zoning, or any regulations relating to the renting or storing of utility trailers or trucks.
 - (4) *Other grounds for denial.* A license shall not be granted if granting the license would:
 - a. *Inconsistent with plan.* Be inconsistent with the comprehensive development plan or zoning code of the city;

 - c. *Other detrimental effect.* Otherwise have a detrimental effect upon other property or properties in the vicinity.
