Visitor Requests

If it doesn't matter who attends your event, please check here: **ANY VISITOR IS FINE**

To request specific visitors, list your top three choices. (K9, Investigations, Patrol, Chief/Mayor/City Manager, Animal Control, West Metro Fire, North Memorial, Public Works Truck, Mediation Services, Other?)

Although we attempt to schedule a Police Department visitor to every event that registers by the deadline, due to the number of events, staffing, and other factors, we cannot guarantee visitors will be able to stop. We will still make every attempt to "parade" past your event if visits are not possible. We thank you for your understanding and look forward to working with you to plan a safe event for your group.
