The New Hope Police Explorer Post 915 has been in existence since 1983. The New Hope Police Explorer Post is sponsored by the New Hope Police Department and the New Hope Crime Prevention Fund. The post is affiliated with the exploring division of the Northern Star Council, Boy Scouts of America.

As a member of the post, you will have the opportunity to explore and learn about law enforcement as a potential career field.

You will receive scenario based training that will be put to use each year at the state conference (currently held in Rochester), and every other year at the national conference, held at various locations throughout the United States.

Some of this training includes:

- Domestic crisis intervention
- Traffic accident investigation
- Emergency first aid
- Firearms safety
- Crime Prevention

Along with the training, you will have the opportunity to ride along with New Hope Police Officers.

As part of the explorer post, you will be involved in assisting the New Hope Police Department in events and activities such as:

- City festivals and parades
- Medical emergencies
- Traffic control
- National Night Out
- Crime prevention
- Duk Duk Daze
- Safety Camp
- McGruff Visits

And much, much more!

The explorer post is also involved in various fundraising activities to help support the post and pay the cost of the annual Explorer Training Conference.

In addition to providing excellent training for those interested in a career in law enforcement, participation also provides an opportunity to improve personal communication skills for any career field.

The explorer program is designed to be a safe, fun, and educational learning experience for the youth in our community. Members of the New Hope Explorer Post 915 are expected to follow all exploring rules and by-laws, and remain law-abiding, failure to do so will cause the explorer to be terminated from the program.

If you have any questions or concerns, please feel free to contact any one of our Explorer Advisors listed below.
