## YOU WILL NEED:

**SKATES WITH GUARDS** You will need your own skates. Rental skates are available at the arena. Always wear guards on your blades when not on the ice. Skate blades stay sharp longer with proper care. **No double-bladed skates!**

**When purchasing skates...**A good, snug fit is important for proper support. Take along thick socks and allow a little extra room for growth.

**FIGURE SKATES:** Leather boots are best. Riedell, SP Teri, and Harlick are some of the better brand names.

**HOCKEY SKATES:** Molded plastic or leather skates are fine. CCM, Bauer, Nike and Riedell are some of the better brand names.

**CLOTHING** We recommend that group class participants wear gloves or mittens and a jacket that will allow free movement. Parents/guardians of younger children should also consider dressing them in snowpants, as they will help to cushion falls and keep them warmer.

**HELMETS for Tots and Beginners** We strongly encourage tots and beginners to wear helmets.

## PARENTS, Please Watch from the Bleachers

Our goal is to give your child guidance in learning skating skills to the best of their ability. This goal is best achieved when we have the child's undivided attention while they are on the ice. In addition, you will have a better view of your child's progressing skills.
